

EIA PROCESS & PUBLIC MEETING

Kouga Municipality is proposing to construct revetments along parts of the St Francis Bay beach for protection against coastal erosion.

This activity requires an Environmental Impact Assessment in terms of the National Environmental Management Act, 1998, as amended, and the Environmental Impact Assessment Regulations, 2006. Illenberger & Associates have been appointed as Independent Environmental Practitioners to conduct the Basic Assessment process, which is the first step in the Environmental Impact Assessment process.

If you would like to have further information, or wish to register as an Interested and/or Affected Party, please submit your name, contact information and interest in the matter to
